

Prep–Year 6

P–6 Australian Curriculum v9.0: Health and Physical Education (HPE) – Designing quality assessment

Join us for face-to-face sessions to explore strategies to design and quality assure assessment for P–6 HPE.

  Weeks 2–5; 5 locations

P–6 Australian Curriculum v9.0: Designing quality assessment in Science and Technologies

Join us for face-to-face sessions to explore strategies to design and quality assure assessment for P–6 Science and Technologies.

   Weeks 2–5; 8 locations

P–2 Reading in the early years of the Australian Curriculum v9.0: English – Understanding the curriculum (2-part series)

Explore the strengthened aspects of reading in the early years as presented in the Australian Curriculum v9.0: English and consider implications for planning in Prep–Year 2.

  Weeks 2–4; AM and PM options; 60 minutes

Years 3–6 English AC v9.0: Planning for and assessing interacting

Investigate what the Australian Curriculum v9.0 English reveals about interacting with others and explore opportunities for assessing interacting for a range of purposes and audiences.

  Weeks 3–5; AM and PM options; 60 minutes

P–6 Designing quality assessment in English v9.0: Assessing writing

Extend understanding of the revised English curriculum and explore the processes of designing and constructing a quality task and task-specific marking guide aligned to the Australian Curriculum v9.0: English.

  Weeks 3–6; AM and PM options; 60 minutes

P–6 Designing quality assessment in Mathematics v9.0: Mathematical modelling projects

Explore mathematical modelling in the Australian Curriculum v9.0: Mathematics and consider how to design quality mathematical modelling projects and task-specific marking guides.

  Weeks 3–6; AM and PM options; 60 minutes

P–6 Connecting the Australian Curriculum v9.0 across learning areas and/or subjects

Explore ways to plan teaching, learning and assessment that purposefully connect curriculum while maintaining the integrity of each learning area and/or subject.

  Weeks 3–5; AM and PM options; 60 minutes

P–6 Strategies for planning and assessing in multi-age contexts with the Australian Curriculum v9.0

Evaluate strategies for planning and assessing in multi-age classes using practical examples from classroom experiences.

  Weeks 3–5; PM options; 60 minutes

Primary schools: Using transition statements to support continuity of learning

Explore the information provided in a transition statement and consider how that information can be used to build relationships and support children’s continuity of learning into Prep.

  Week 6; PM option; 60 minutes

Forum for primary leaders: Pathways to success with P–6 Australian Curriculum v9.0

Join us in a collaborative discussion on actionable ways leaders can build teacher capability in curriculum and assessment literacy.

  Week 6; AM and PM options; 90 minutes

Forum for primary leaders in multi-age settings: Pathways to success with the P–6 Australian Curriculum v9.0

Primary leaders at multi-age school settings are invited to join us to reflect on their successes, explore key learnings from their local context, and consider their opportunities and challenges in implementing the Australian Curriculum v9.0.

  Week 6; AM options; 90 minutes

P–6 Designing Quality Assessment – Key messages

Join us to consider the key messages and strategies for designing and quality assuring assessment for P–6 Australian Curriculum v9.0: HPE, Science and Technologies. This is a brief summary of the face-to-face workshops.

    Week 6; AM and PM options; 90 minutes

Prep–Year 10

Australian Curriculum v9.0: Supporting curriculum planning processes using the P–10 Planning app

Explore how the QCAA’s P–10 planning app can support curriculum leaders and teachers to plan effectively using the Australian Curriculum v9.0. Learn about the updates that have been made to the app since its release in October 2023.

  Weeks 3–5; AM and PM options; 60 minutes

P–10 Considering the Aboriginal and Torres Strait Islander histories and cultures cross-curriculum priority

Engage with the Aboriginal and Torres Strait Islander histories and cultures cross-curriculum priority and the resources available to support teachers in planning to embed authentic learning experiences and examples connected to the learning areas.

  Weeks 4–5; AM and PM options; 60 minutes
