

NAPLAN — Delivering

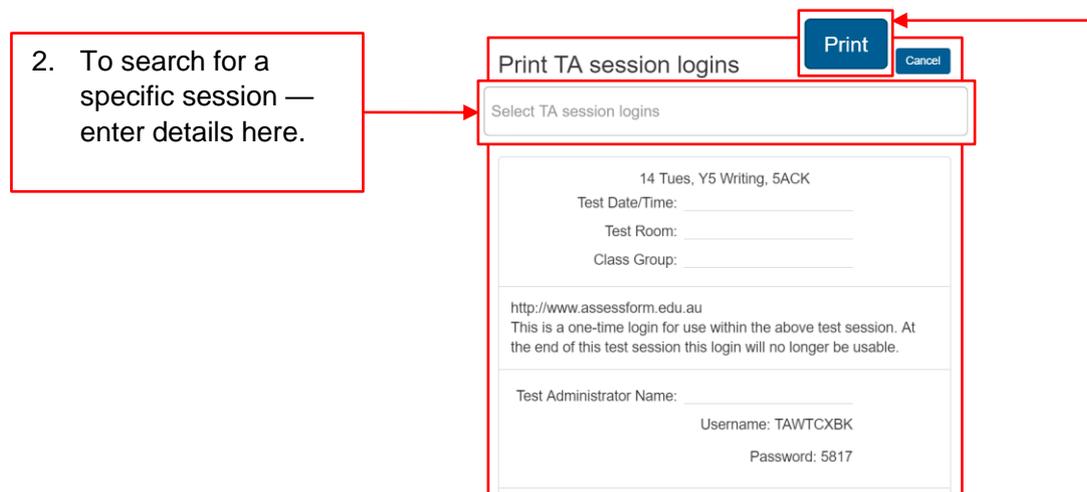

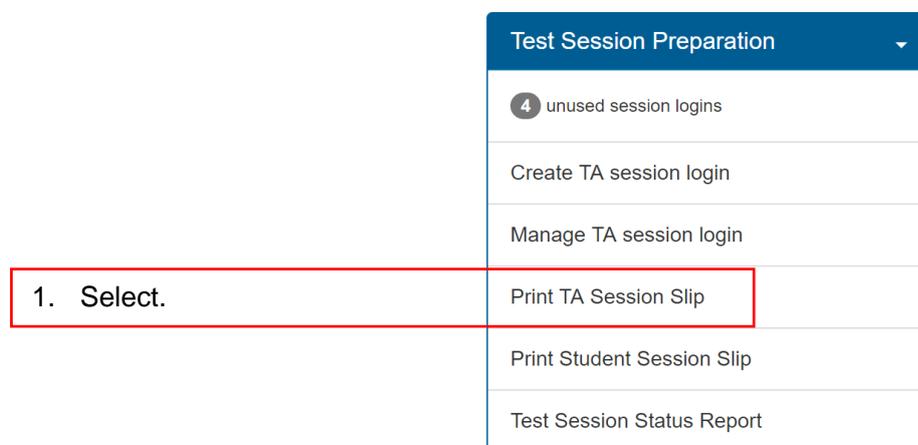

Platform guide 16: Print TA session slips

The **principal** or **NAPLAN coordinator** must print the **TA session slips** they created. This forms part of the TA pack that is provided to test administrators each day.

It is recommended to print all the TA session slips at the same time; however, individual pages can be printed.

The TA session slip includes a **single use** username and password for the test administrator.

3. Select **Print**. Use the **Print** dialog box to print the displayed TA session slip (a specific page, page range or all pages). Ensure printing is one sided only.
