

Prescribed recorded live performances nominated by schools in 2023

Drama

The QCAA develops a prescribed recorded live performance list each year for the Drama General senior syllabus and the Drama alternative sequence to enable schools to make valid production selections to support students in preparing for the Drama external assessment.

Annotations, including a synopsis of the production and advice to schools, are provided to help schools select the recorded live performance/s appropriate to their contexts and cohorts.

The following table sets out the number of schools that selected each recorded live performance for the Drama external assessment for 2023. The data was extracted from the registration of choices by schools in the QCAA Portal.

Note: Some schools offer both recorded live performances for study in preparation for the external assessment.

Recorded live performance	Theatre company	Number of schools that nominated the recorded live performance
<i>Black Diggers</i>	Red Leap Theatre	108
<i>The Arrival</i>	Queensland Theatre and the Sydney Festival	176
