Question and response book

Design

Time allowed

- Planning time — 15 minutes
- Working time — 120 minutes

General instructions

- Answer the question in this question and response book.
- Respond using black ink pen, black felt-tip pen, 2B pencil, and coloured pencils or pens.
- Planning paper will not be marked.

Section 1 (34 marks)

- 1 extended response question

Queensland
Government

Queensland Curriculum
& Assessment Authority

Section 1

Instructions

- Refer to the stimulus book.
 - Represent your design work on the four A3 response pages provided in the folio. If you need more space for a response, use an additional response page.
 - Number your response pages in the order in which they should be read.
 - Cancel any incorrect response by ruling a single diagonal line through your work.
 - Write the page number of your alternative/additional response, i.e. See page ...
 - If you do not do this, your original response will be marked.
 - All used response pages must be returned in your folio at the conclusion of the assessment.
-

Question 1 (34 marks)

Use the stimulus and circular design methods to redesign packaging.

Your response should show application of the develop phase of the design process. Devise ideas, and refine these based on your evaluation using the design criteria, to propose a design concept.

Use sketches with notes to represent your ideas and design concept.
